TWENTY FIVE YEARS AGO

The Association passed the H.E.C. account for payment - $2.15 - (times have changed).

In July 1958 a reciprocal agreement was made with the (then) T.F.L. with regard to players suspended by one code ruling them ineligible to play for the other.

A complaint was lodged regarding linesmen being abused and insulted by club supporters - (not much different to day).

In 1958 discussion took place re televising soccer WHEN T.V. became available in Hobart- (the outcome now seems doubtful!).

At an Investigation Committee meeting held on July 21st 1958 two players who had been sent off but as no report had been received from the Referee it was found they had no case to answer. The I.C. asked Referees to give more thought before sending a player off the field.

Metro had some lights at South Hobart in 1958 and they went missing whereupon it was agreed that enquiries would be made on the ground the following Saturday.

For the Grand Final the Association agreed to spend $10.00 on 'spot ads' on 7HO & 7HT and that the match also be advetised in the Mercury.

It was also resolved that ONLY officials be allowed on the stand during the main game
